*Dear Clients,*

*We require a deposit to be paid upon booking of each appointment. The percentage of the deposit depends on the service you are having done. This amount will come off your total bill on the day of your appointment. Bookings can be made via your Fresha Client App, over the phone or via our online booking system. All deposit payments are sent to you to complete when booking an appointment. Online bookings will require a deposit to be paid on checkout.*

*Our salons are busy. We appreciate that sometimes things happen, however we do require no less than 48 hours notice prior to a cancellation or reschedule, otherwise your deposit will not be refunded. We also ask that if you need to make adjustments to the services that you're having done, that this is also done via your Fresha Client App or over the phone no later than 48 hours.*

*In the event that we are able to fill your spot for a late cancellation, we are happy to apply your deposit as a credit for a future booking.*

*If for whatever reason you book an appointment and do not show to it, 100% of the total booking may need to be paid before booking another appointment.*

*It will be at our discretion that if you are late to your appointment, we may need to alter and/or shorten your appointment. You will still be required to pay for the full service cost, so that our stylists are not missing out. Thank you.*
