### Dear Clients,

*We require a deposit to be paid upon the booking of each appointment. This amount will come off your total bill on the day of your hair services. Bookings can be made via your Fresha Client App, over the phone or via our online booking system. All Deposit payments are sent to you to complete when booking an appointment. Website bookings will ask for a deposit on checkout.*

*Our salon is a busy salon. We appreciate that sometimes things happen, however we do require no less than 48 hours notice prior to a cancellation or reschedule otherwise your deposit will not be refunded. In the event that we are able to fill your spot for a late cancellation we are happy to apply your deposit as a credit for a future booking. This does not apply to No Show's.*

*It will be at our discretion that if you are late to your appointment, we may need to alter and/or shorten your service. You will still be required to pay the full booked service cost, this also applies to last minute changes too.*
